REPORT OF THE SUPERINTENDENT
OF SCHOOLS

To the Honorable School Committee, Board of Selectmen,
and Citizens of North Kennebunkport,

LADIES AND GENTLEMEN:

This is my sixteenth annual report, and I consider this year's work comparable with the best in the long and eventful years of that service.

Some of your schools have made intellectual progress that really sets a new standard for hard work and has given us rewards in substantial achievements. The mastery of materials studied is commendable. It is with no little pride that I can now cite some of your schools as having done substantial work on grade level that is expected of single grades. This is a recognition, therefore, of the cooperation between students, teachers, and parents, all to the end that education is advancing in your midst.

The advance effort could not be successful without the community cooperation. The problems that confront all educational processes are demanding and greater than in other times. Many of these problems, moreover, are directly linked up with defense. The obligation of the teachers, the officers, influential directors, and leaders of your community must wisely consider and prepare to do more for the youth than previously, since they—in their day—are to carry heavier loads than any of this generation.

I have reported that both your school census and your enrollment were growing year by year. Your census was 23 more than last year, while your enrollment gained 22. This is as close a correlation in attendance from the number eligible as you are likely to find. The number of pupils in the High School over the record of last year is seven.

The growing enrollment is now becoming serious. There is considerable overcrowding at some of your schools. Burnham, Durell, Iron Bridge and Irving schools have capacity enrollment. The seating space is now at a premium and if new additions come to this territory, due to the defense labor conditions, you will have to consider some emergency measures to house the influx of school enrollees,

THE EQUALIZATION FUND

The Equalization Fund has been spent after consultation with your School Committee and with collaboration with the State Department of Education.

The Equalization Fund has enabled the Town of North Kennebunkport to add one week of school to the school year, to increase the teachers' wages to compare more favorably with adjacent wage scales, and most of all to provide the text-books and reference books so sorely needed in the modern up-to-date schools. All those citizens who have taken pains to be informed in the work done in your schools, have given hearty approval of the school program, the curriculum followed, and the thoroughness with which the lessons are carried forward. Three complete sets of The World Book Encyclopedias have been installed in your schools this year. This is a very fine set of reference books and fills a long-felt need.

TRANSPORTATION

Transportation is offered to the pupils living on the western side of the town and who formerly attended the Alewife School. The closing of this school has caused us to offer transportation since it was less expensive than sending them to Kennebunk schools. The teacher, Mrs. Emmons, is under contract for this work.

There is some discussion and agitation regarding the attendance of pupils to the Grammar and Primary schools of Kennebunkport. The arrangement from the beginning of the town has been for the expense of this school to be paid on the aggregate attendance record of scholars both of the Town of Kennebunkport and those of North Kennebunkport.

It so happens that you now have 25 of the pupils attending the Grammar School at the Kennebunkport Town House. This makes a rather large bill but is a fair arrangement, except you have no voice in salaries, and the other expenses. This, of course, is inevitable,

NURSING

The report of Miss Olive Twitchell, R. N., Public Health Nurse, is interesting, and you are asked to read the report with care. You will note that on two occasions the Public

Health Nurse was called to your schools for special conferences and help. The follow-up visits made by the Nurse were helpful in securing corrections that were needful.

The electric lights that have recently been voted for the Durell School have created a demand for like privileges in the other schools which have nearby electric services. It probably would be a programme you would desire to extend as feasible.

Your teachers were given five-year contracts last spring and this will be proved a wise move in stabilizing the teaching staff. There is to be a very great shortage of teachers and many openings have not been filled satisfactorily this year. It is anticipated that the term contracts will help to retain your teachers now in service.

Your attention is called to the statistical data appended to this report.

Finally, let me express to you all my sincere regard, and continued confidence in the cooperative development of your schools. I regard your effort for education one of the bright and hopeful signs that Democracy can and will survive. You have a great tradition and I, with you, prize that tradition and wish through education to enhance its worth.

Respectfully submitted,

H. C. HULL.

REPORT OF PUBLIC HEALTH NURSE

To the Citizens of the Town of North Kennebunkport, I hereby submit my annual report as public health nurse for the year 1940.

The health inspections were completed during the year in one or more visits to each school. At the request of teachers, special inspections have been made at two schools because of evidence of contagious disease or of persistent cases of pediculosis. Follow-up visits have been made to these homes to suggest proper treatment and to aid in the control of these conditions. Other visits have been made to homes of school children absent from school at the time of inspection because of illness, and some because of defects found and to aid in securing corrections needed.

The following is a report of the health inspections completed in all schools during the year 1940:

Pupils inspected,	162
Pupils with defects,	38

Defects found:

Vision,	2
Teeth,	24
Unclean teeth,	5
Throats,	9
Evidence of pediculosis,	5
Evidence of skin disease,	2

Corrections made during year:

Vision,	2
Teeth,	26
Throats,	4

Achievements in school health were earned by the pupils in the Burnham grades and the Iron Bridge School. Thirty pupils in the Burnham grades receiving the Seven Point award, and one in the Iron Bridge School. These awards are promoted and encouraged by the Nurse in her work with the schools, and children unable to help themselves are assisted in securing corrections.

In closing, I wish to thank all who have in any way contributed to the success of the health work this year.

Respectfully submitted,

YORK COUNTY HEALTH SERVICE

By OLIVE TWICHELL, R. N.,

Public Health Nurse.

REPORT OF BUILDING INSPECTOR

To the Citizens of North Kennebunkport:

Your Building Inspector submits the following report for the year 1940:

Permits issued,	16
Dwellings and alterations,	6
Garages, business,	1
Garages, private,	5
Overnight camps,	1
Poultry houses,	1
Stores,	2

I have visited nearly every building during its construction and explained the requirements of the State Laws regarding safe construction.

The cooperation of nearly all has been highly satisfactory. To those who wish to know the full purpose of the building inspection laws, I will say that I believe that if they will consult Laws of Maine, Revised Statutes of 1930, Page 628, Section 25, by reading about two pages, they will obtain full information.

Respectfully submitted,

JOHN H. C. JOHNSON,

Inspector,

WARRANT

For Town Meeting, March 3, 1941

STATE OF MAINE

COUNTY OF YORK, SS.

To Florence R. Hayes, Constable of the Town of North Ken-
nebunkport, in said County, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of North Kennebunkport, qualified by law to vote in town affairs, to assemble at the Town House, in said town, on the 3rd day of March, 1941, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To see if the town will vote to dispense with the check list at this meeting.

Article 3. To choose all necessary town officers for the ensuing year.

Article 4. To see what sum of money the town will vote to raise for the support of common schools.

Article 5. To see what sum of money the town will vote to raise for high school tuition.

Article 6. To see what sum of money the town will vote to raise for repairs and insurance on school buildings.

Article 7. To see what sum of money the town will vote to raise for free textbooks.

Article 8. To see what sum of money the town will vote to raise for school supplies.

Article 9. To see what sum of money the town will vote to raise for the salary of the superintendent of schools.

Article 10. To see what sum of money the town will vote to raise for the repair of roads and bridges.

Article 11. To see what sum of money shall be paid to the road commissioners per day for their services, and fix the price per hour to be paid for labor on highways.

Article 12. To see what sum of money the town will appropriate for State aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public Laws of 1937.

Article 13. To see if the town will vote to raise a sum of money to cut and destroy all bushes on State highways, State aid, and third class roads, to comply with Chapter 145, Public Laws of 1937, and if so, how much.

Article 14. To see if the town will vote to raise the sum of five hundred and seventy-three dollars to repair and main-

tain third class roads, to comply with Sections 43 to 47, Chapter 28, Revised Statutes of 1930, as amended by Chapter 175, Public Laws of 1933.

Article 15. To see if the town will vote to raise the sum of \$1,160 to pay bond and interest coming due this year.

Article 16. To see what sum of money the town will vote to raise for the removal of snow.

Article 17. To see what sum of money the town will vote for the support of the poor.

Article 18. To see if the town will vote to raise the sum of \$75 to purchase a plot of land in the rear of the Burnham School.

Article 19. To see if the town will vote to raise the sum of \$200 for the purpose of installing electrical wire and fixtures in the Durrell School and the Town Hall.

Article 20. To see if the town will vote to raise the sum of \$400 for the following purposes:

1st—For the installation of electrical wire and fixtures in the North Chappell School, located on the Alfred road.

2nd—For the installation of electrical wire and fixtures in the Irving School, located on the Curtis road.

3rd—For the installation of electrical wire and fixtures in the Iron Bridge School, located on U. S. Route 1-A.

4th—For the installation of electrical wire and fixtures in the Burnham School, located on the Lombard road.

5th—To contract with any power company for electrical power for the above named school.

Article 21. To see what sum of money the town will vote to raise for the contingent fund.

Article 22. To see if the town will vote to raise a sum of money to provide for the services of a public health nurse, this action made legal by the Maine Legislature of 1925, Section 58, Chapter 140, Public Laws of 1925.

Article 23. To see what sum the town will vote to pay for the collection of excise taxes.

Article 24. To see what sum the town will vote to pay for the collection of taxes.

Article 25. To see if the town will vote that for the purpose of procuring a temporary loan to and for the use of the Town of North Kennebunkport, to pay the indebtedness of said town, due or to become due during the present municipal year, to be paid out of money raised by taxation during the present municipal year, the town treasurer be and hereby is authorized and directed to borrow from time to time a sum or sums not exceeding in the aggregate ten thousand dollars, and to execute and deliver the note or notes of the town therefor, signed by the town treasurer and countersigned by the municipal officers of the town.

Article 26. To see if the town will vote to increase the salaries of the selectmen to \$250 for chairman and \$75 each for the second and third members of the board.

Article 27. To see if the town will authorize the treasurer of the town (with the approval of the Board of Selectmen) to sell and dispose of all tax titles held by the town on such terms as they deem advisable, and to execute quitclaim deeds for such property.

Article 28. To see if the town will vote to raise the sum of \$300 for services of out-of-town fire companies.

Article 29. To see if the town will vote to instruct the selectmen to appoint a building inspector, to act under instructions as laid down in Chapter 35, Section 25-26, Revised Statutes.

Article 30. To see if the town will vote to instruct the selectmen to appoint an electrical inspector.

Article 31. The name North Kennebunkport being long and cumbersome, and very much confused with the names of the adjoining towns of Kennebunkport and Kennebunk, and having no distinctive name of its own, to see if the town will vote to petition the State Legislature that the name be changed to Arundel.

On petition of John H. C. Johnson, F. H. Moore, Laura Johnson, Winona M. Johnson, Chas. C. Bird, Ida C. Bird Harold Hanson, Harold O'Brien, Howard Brooks, Donald Johnson, Earle M. Smith, Dorothy W. Smith, Helen Gordon and Roger Turcott.

Article 32. To act on any further business that may come
before this meeting,

The selectmen hereby give notice that they will be in session at the Town Hall at nine o'clock in the forenoon on the day of said meeting, for the purpose of revising and correcting the list of voters.

Given under our hands at North Kennebunkport, this
twelfth day of February, A. D. 1941.

RALPH O. WELLS,

PHILIP PEARSON,

RALPH PILLSBURY,

Selectmen of North Kennebunkport,
